

# WEDDING CHECKLIST

Guess What! You're Engaged!! Now What?

## 12+ Months

- Go show off that bling!
- Decide on budget and who's paying for what (Are you two paying or is the family pitching in? And if so, who's?)
- Start pinning inspiration photos and ideas
- Pick a date! (pick 2-3 first so that there's some flexibility to start)
- Browse some different dresses/dress stores to see which will fit your style best
- Get together with your man and put together a general guest list
- Explore the different venues!

## 9 - 12 Months

- Engagement pictures!
- Design and print your invitations
- RESERVE THAT VENUE (good venues are always high in demand, it's better to book early to be safe)
- Go shopping for dresses/tuxes
- Find your main vendors (DJ, florists, photographer, videographer, catering, etc.)
- Finalize the wedding date
- Select your bridal party (when it comes to the bachelorette party, leave it up to your maid of honor)

## 6-9 Months

- Set up your gift registry
- Create your wedding website/page
- Wedding dress picked and off to alterations
- Shop for shoes, jewelry, gifts, etc.
- If you plan on getting in shape for the wedding, this is the time to start
- Go cake tasting (then order it!)
- Find your officiant
- Get your wedding rings

## 3-6 Months

- Work with the florist on how you want your arrangements to look
- Wedding playlist
- Reserve any rentals (sound equipment, chairs, tables, etc.)
- Send out those invitations (don't forget to have your guests RSVP!)

# WEDDING CHECKLIST
